FMC Bulletin

The Club is affiliated to the FMC (Federated Mountain Clubs of New Zealand). Among the benefits of this is a quarterly bulletin distributed to members. You can opt to have this posted to your home address at your cost for postage, or you can pick up the bulletin at a club night. The FMC membership card (distributed annually and posted to you) entitles members to a discount on the DOC annual hut pass and also discounts at many retailers. It is therefore important that members give us an address to post things to and tell us when there are any changes in their contact details.
